Griffin Vises

VICES

SUPERIOR 1A

Code: G-V-00 (Pictured)

Features a fixed head and solid 3/8" shaft. Griffin's entry model. One-year warranty.

SUPERIOR 2A

Code: G-V-01 (Pictured)

High quality vise at an economical price. Features include positive adjustment to hook sizes, easy conversion for right or left hand tyers, jaws adjustable to any angle, front or rear tension mode. Lifetime warranty.

SUPERIOR 3A ROTARY C-CLAMP

Code: G-V-02

This c-clamp mounted vise features the same advantages as the 2A, as well as 360° rotation. Lifetime warranty.

SUPERIOR 3AR ROTARY PEDESTAL

Code: G-V-03 (Pictured)

Combines the features of the 2A and 3A Rotary C-Clamp vises, with a pedestal mount. Also comes with a c-clamp. Lifetime warranty.

PATRIOT ROTARY PEDESTAL/C-CLAMP

Code: G-V-05 (Pictured)

Features total hook pressure control, 360° rotation and adjustable jaws that set to various angles. Includes both a pedestal base and c-clamp for maximum versatility. Lifetime warranty.

ODYSSEY C-CLAMP

Code: G-V-07 (Pictured)

Includes 360° true rotation and easy hook adjustment. Works for both left- and right-handed tyers. Comes with a material clip and bobbin cradle. Lifetime warranty.

ODYSSEY PLUS

Code: G-V-08

Carries the same features as the Odyssey C-Clamp, along with the ability to convert to a line winder. Comes with an empty line spool and has adjustable rotation.

TUBE VISE

Code: G-V-09

The varied sizes of tying stems and a non-rotating edge on the vise head help hold the fly tube steady. Comes with a c-clamp.

ODYSSEY SPIDER VISE

NEW!

Code: G-V-10 (Pictured)

An entry level Odyssey vise. Excellent quality at an affordable price.

Griffin vises are constructed using the finest materials available and carry a Lifetime Guarantee.

Griffin Accessories

WISE ACCESSORIES

- G-V-06 Odyssey Conversion Kit**
Works with the Superior 3A Rotary C-Clamp, Superior 3AR Rotary Pedestal and Patriot Rotary Pedestal/C-Clamp to easily convert to a true rotating vise with all the features of an Odyssey vise.
- G-VO Vise Offset**
Allows for greater flexibility in positioning the vise. Fits c-clamp and pedestal models.
- G-PED Pedestal Base Only**
Can be used with any vise that has a 3/8" stem. Constructed of heavy steel weighing approximately 4 lbs. with a rubber pad on the bottom to protect against scratching.

- G-HG Hackle Gauge**
Fits most vise stems. This gauge will rotate freely on the vise stem so it may be swung out of the way when not in use.
- G-CA Collect-all Wastebasket**
Keeps the work space clean.
- G-BP Extended Body & Parachute Set**
Will fit most vises with a 3/8" stem.
- G-CRA Bobbin Cradle**
Can be used as a bobbin cradle or a bobbin rest. Fits all vises with a 3/8" stem and comes with a 4" extension arm that gives it more flexibility.

Regal™ Vises

Regal™ vises are world-renowned for their quality and durability. Regal™ Engineering guarantees its vises to be free of defects in materials and workmanship for the life of the registered owner.

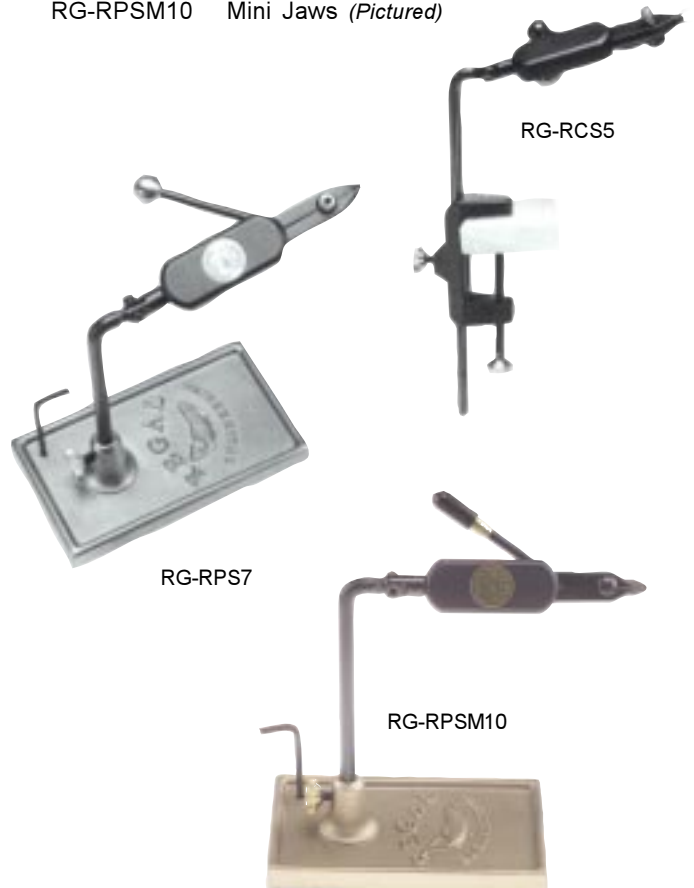

INEX
Code: RG-RC2
A standard, non-rotary vise.

ROTARY CLAMP VISE
Features 360° rotation, 220° up and down movement and adjustable tension knob.

- RG-RCS5 Standard Jaws (Pictured)
- RG-RCSM8 Mini Jaws

ROTARY BRONZE PEDESTAL VISE
Features 360° rotation, 220° up and down movement, adjustable tension knob.

- RG-RPS7 Standard Jaws (Pictured)
- RG-RPSM10 Mini Jaws (Pictured)
