

Talon™

Premium hooks at moderate prices. Manufactured to the highest quality standards using the latest Japanese technology. All hooks are packaged in convenient interlocking plastic clamshell boxes.

Features:

- High carbon steel.
- Perfectly balanced tempering for hardness without brittleness.
- Round needle points for maximum penetration with minimal resistance.
- Small barbs for minimum damage and adequate holding power.
- Chemically sharpened for that final touch.

Please order by "Series", by "Hook Size" and by "Package Size".
